You should understand as well...
It's the same thing... It's a sign that the luck here has turned in your favor...
We are making new preparations to head towards 'even greater darkness'...

Stann's powerful knife clashed with Coffin and shattered... What's the meaning of this...?
Stann ! It's not a matter of technique !
Coffin... It seems the time has come for us to go to Moarzandark...

LACRO !!!
YOUR TURN !!
?

Coffin, you take care of the rest.
Understood! "May you be engulfed by the Great Darkness"!

Aargh... That hurts...
Lacro ! With the memory of your agony and the cries of those you have killed, embark on a journey of endless madness !

SODO - They are executionners who operate for a reward...
But they don't necessarily consume all deaths...

Neither dwelling among the living nor the deceased, they occupy the realm between, as both Reapers and Gods.
